

### Love and Friendship RAFT

Role	Audience	Format	Topic
A toddler	Yourself	Speech	Moving to the moon never to return
Parents of your girlfriend or boyfriend	Your parents	Podcast	Calling from the future to leave a message
Your best friend	A teenager	Voicemail	Professing your love
Your dog	Listeners of a podcast that gives advice on love		Breaking up
Secret admirer	Boyfriend/girlfriend		The day before your wedding

1. Choose an option from each column. (Example: A toddler leaving a voicemail for his/her parents from the future)
2. I will set the timer for 15 minutes. During this time, you may write an outline (approximately 10 bullet points) to use during your speech, podcast, or voicemail.
3. Record your response (2 minutes minimum) and upload to your Google Drive folder.
4. Listen to your presentation. Write down everything you said, including “um” and long pauses. Mark your transcription using the key below. Do you notice any consistent errors?
5. Rewrite your presentation as you would have said it if you could redo it. Pay special mind to conjugating verbs as you speak, to intonation, and the type of information you add if your presentation was less than 2 minutes.
6. **HL only:** Write a 120 word reaction to your recording (example, returning the phone call from the future or sending a radio message back from the moon from the perspective of your audience).
7. Complete the reflection below.

**Key:**

... Long pause    :( Not in target language    C Conjugation error  
 :) Laughing    ? Inaudible, very poor intonation    ~ Off topic

**Reflection:**

- A. Which criteria (Language, message, format) was your strongest and why?
- B. What were your most common errors?
- C. What words from your vocabulary list did you add once you were able to use it?
- D. If you did not reach your goal of 2 minutes of speaking, what information could you add?
