

## Plague Inc.

*Plague Inc.* is a game that makes players the CEO of a company trying to destroy mankind. In the ultimate villain role, players must consider how to mutate the DNA of a plague to destroy all countries and their citizens. The player must work quickly to infiltrate countries before international travel is shut down and to slow the work of the research teams working on a cure.

Platforms and Cost: iOS App - \$.99; Android - Freemium; Steam - \$14.99; Amazon Apps - \$.99
