

## Statement Handout

Instructions to teacher: Use these statements to judge your students' perceptions about education.

1. I like school.
2. I am lucky to attend my school.
3. My school has adequate learning resources.
4. My teachers are able to meet my needs.
5. Getting an education provides me with more opportunities than I would otherwise have.
6. I think that public schools provide easy access to education for all people, regardless of their socioeconomic standing.
