

## GUIDING QUESTIONS WORKSHEET

Part I--Fill out the following questions.

In groups, fill out the following questions about your specific examples. Answer questions 1-3 individually, and then brainstorm together about 4-7.

Individual Response:

1. Where did you find this example?

---

2. How can you tell it's a request?

---

---

---

3. What happened in the interaction? How was it asked and answered?

---

---

---

---

Group Response:

4. Is it direct or indirect? How can you tell?

---

---

5. How would you describe the power dynamic?

---

---

---

6. What made it a successful request or not?

---

---

---

7. Are there any patterns you see across requests in your group?

---

---

---

Part II--Brainstorm some things you could say when you encounter a situation that you're unsure about.

What are some phrases you could use if you are uncertain about making a request?

What are some phrases you could use if you are uncertain about responding to a request?

What is an appropriate way to respond when you don't understand the situation/don't know what to do?
