Instructions

You are going to spend all next week in Portland, Oregon at the Portland State University (PSU) campus. You heard food carts are really good here with lots of variety, so you want to eat at a food cart Monday through Friday next week.

1. Read the first ten food carts reviewed on http://www.yelp.com/search?find_desc=Food+Carts&find_loc=Portland%2C+OR.
2. Look at the map of the food carts to find out how far away they are from you.
3. Research the food carts' websites.
4. Mark them in order of preference, with #1 being the one that you are most excited to try and #5 being the one that you are least excited to try.

When you are picking the food carts, you must keep in mind the following constraints:

1. You like organic food.
2. You love very spicy food.
3. You are studying in downtown Portland near PSU.
4. You have \$40 for the entire week's worth of food.
