

## Interview about a Favorite Hobby

### Can-Do Statements

1. I can hear an account of an experience and decide whether or not I want to experience it myself.

### Instructions

1. Listen to an interview with a runner, Andie: The interview can be accessed here <http://koin.com/2015/10/02/andie-and-her-army-conquer-the-portland-marathon/>.
2. Take notes on the details and how those details affect your motivation for wanting to also try this activity.
3. Decide whether or not you want to take up running as a leisure activity after this interview.

### Listening Activity

What specific details included in the interview would make you choose to try running or not? Explain your answer by filling in the table below.

Detail	Effect on motivation	Explanation

### Application

Now, pretend that you are being interviewed about your favorite leisure activity. What details would you include to try to motivate other people to try out your leisure activity?

Details	Desired effect on motivation of viewers	Explanation of why the desired effect will be achieved
