

### Interculturality Kinship Handout

1. Watch the video: <https://www.youtube.com/watch?v=ZzvEw6nLvRw> . While you watch, take note of any kinship terms you are unfamiliar with and what they mean.

2. Read the following comment threads about Chinese grandparents and answer the questions below.

- <https://www.zhihu.com/question/42606633>
- <https://zhidao.baidu.com/question/185423769.html>

Why do the terms for maternal grandparents have the character 外 in them? What does this reflect about cultural history and family composition?	
Does the 外 character impact how maternal grandparents feel?	
Do people use grandparent kinship terms in the same way today? How else can you address your maternal grandparents?	
How do people view traditional grandparent kinship terms today?
