Name and Relationship: Agent 1 (boss)

Agent 23	The Colombian president is not going to meet with me. I have to speak with him about Roberto Guzman. I don't know what to do.
Agent 1	Why don't you speak with the vice president?
Agent 23	It's that she isn't in the country...she has some very important meetings in Spain this week.
Agent 1	Let's see... One/You must go to the embassy. It's necessary to speak with the ambassador. He would love to help you...he's an art aficionado and he is afraid of the possible loss of national treasures because of Guzman.
Agent 23	Good idea. I'll call him now.

Agent 1	Agent 23, the Mexican ambassador wants to meet with me tomorrow, and I already have a meeting with the vice president of Costa Rica.
Agent23	Must one/you call the Mexican ambassador after the meeting in Costa Rica?
Agent 1	No. She wants to speak face-to-face. She has confidential information about Guzman.
Agent 23	Perhaps you could send me to Mexico for the meeting. Would the ambassador like to speak with me?
Agent 1	Good idea. I am writing her an email right now to plan the meeting.
