Step 1: Fill out the table below.

About me

Name ____________________________________________
Age _____________________________________________
Occupation ________________________________________
Location __________________________________________
Personality _________________________________________
__________________________________________________________________________________________________
__________________________________________________________________________________________________

Likes and dislikes
__________________________________________________________________________________________________
__________________________________________________________________________________________________

Step 2: Self-evaluation

In today’s activity, you will be asked to interview 7-10 of your classmates and pretend as if you are meeting them for the first time. Your goal is to ask enough questions to know whether or not you would like to be friends with that person. Before we begin, evaluate yourself given the following statements. Place a check in the most appropriate box.

<table>
<thead>
<tr>
<th>Can-Do Statement</th>
<th>Can do</th>
<th>Can do with help</th>
<th>Can’t do</th>
</tr>
</thead>
<tbody>
<tr>
<td>I can say hello and goodbye to someone my age or younger</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>I can introduce myself and provide basic personal information</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>I can say what I am like.</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>I can list my favorite free-time activities and those I don’t like.</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>I can talk about others’ likes and dislikes.</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>I can ask and respond to simple questions.</td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Step 3: Do the conversations!
Step 4: Reflection

1. Did I achieve as well as I thought I would? Why?

2. What specific task was the most difficult for me to achieve? Why?

3. What am I the most proud of? Why?

Step 5: Start over at Step 1. This time, invent a new personality for yourself.
