By Isabelle Sackville-West

Vlog Planner

Step 1: Think about your vlog as a whole.

Does your vlog have a theme or topic? If so, what?

What aspects of yourself do you want represented in the vlog?

Are there any people besides yourself in the vlog? Who?

Where do you want most of the filming to take place? Any special places you want to include?

Anything else?

## Step 2: Plan out each clip of your vlog.

|                | Clip 1 | Clip 2 | Clip 3 | Clip 4 | Clip 5 |
|----------------|--------|--------|--------|--------|--------|
| I want to talk |        |        |        |        |        |
| about          |        |        |        |        |        |
|                |        |        |        |        |        |
|                |        |        |        |        |        |
|                |        |        |        |        |        |
|                |        |        |        |        |        |
|                |        |        |        |        |        |
| I want to      |        |        |        |        |        |
| film           |        |        |        |        |        |
|                |        |        |        |        |        |
|                |        |        |        |        |        |
|                |        |        |        |        |        |
|                |        |        |        |        |        |
|                |        |        |        |        |        |
