

SMART Goal Template

Please write one goal for yourself that you can achieve as a beginning language learner.

Specific: How will you communicate? _____

Example: *I will make a shopping list for a birthday party without looking words up.*

Measurable: How will you know it is complete? _____

Example: *The shopping list will include food and decorations.*

Attainable: How do you know you can do it? _____

Example: *As a novice learner, I can make lists using memorized words.*

Relevant: Why does this goal matter to you? _____

Example: *I love making new friends, and a party is one way to do that!*

Time-bound: When do you plan to meet your goal? _____

Example: *By March 1*
